

Holiday from the Heart

"The best gift was knowing that there are still kind and generous people like you who still exist... If it were not for you, [my son] and I would not have celebrated Christmas for the first time in 16 years"

Holiday from the Heart

Through Holiday from the Heart generous families, individuals, religious, and community groups help make the holidays special for low-income women, teen parents, and their children. All families that benefit are participants in The Center Foundation's WomenCare mentoring program or Young Parents Support Network.

Family Size *"I think I am a stronger person today knowing that there are people there who are ready to care."*

Our families range in size from a mother with one infant, to families of 6 or more. If sponsoring a whole family seems difficult, consider asking some friends to team up with you or simply tell us what you can do and we'll combine your giving with that of others.
